

## About our Marine Sales and Services

Acadien Marine Broker Services is a brokerage business for all marine vessels, yachts, fishing boats and licenses and is based out of Cheticamp, Nova Scotia, Canada and owned by Brian Boudreau.

Brian has deep roots in the marine and fishing industry as an active participant for over 15 years. He has been captain of his own fishing vessel for the past 12 years, and has accumulated many navigation certificates along the way such as a Watchkeeping Mate, a Fishing Master 2, and many other training certificates.

This means that potential customers can rest assured that Brian and his crew know exactly what you are looking for, because they have experience in many different kinds of vessels and know the value of what is available on the market.

"We are looking forward to working for you to sell, buy or even lease your next boat or license to do the work you need to get done or take you away on a wonderful cruise on your new yacht to many wonderful ports of call," Brian said.

"Another great service that Acadien Marine Broker Services provides is a point A to point B Captain service to allow the vessel owner to fly to their destination and not have the worry of getting their pleasure craft

where they want it . We will take it there for you. How easy is that?"

If you have any questions please feel free to contact Brian via email, telephone, or fax. He and his staff will be happy to assist you with any questions you may have.

"Thank you for visiting our website and we hope to be able to do business with you!!"

Yours truly
